Dear Mrs. Manley:

I wrote you last week, asking if you would be interested in playing the Black Yankees at Trenton on Thursday night May 24. I believe that you have that date open in your schedule and as the Yankees are open it would fill in a day for both of you.

Would you also want to let me know about the May 26 date for the Eagles at East Orange.

We would appreciate hearing from you real soon.

Very truly yours,

W. A. Leuschner
